## **DATA REQUIRED BY THE PRIVACY ACT OF 1974**

The authority for soliciting information for inclusion on this form is Title 10, U.S. Code, Section 3012 and SOP for gymnasiums.

a. This form is used by eligible gymnasium patrons to obtain issue of gymnasium supplies and equipment. Recorded personal data used for identification purposes to recover items issued to patrons who frequently fail to return property.

b. Extracted information forwarded to commander of negligent users of equipment to assist in recovering supplies and equipment or to arrange for payment of property not turned in.

c. Information provided is voluntary; however, because of the heavy use of gymnasium items, the lack of information sought (SSN) makes it extremely difficult, if not impossible, to determine the identity and actual unit or organization of personnel who borrow equipment. Failure to give SSN could result in failure to provide equipment.
